## 18161 Back to Basics Drawing

Adult Program with Scott McNichol in the Classroom Studio  
Tuesdays, 7:00 - 9:00 pm...\$119/\$132  
October 16 - November 13, 5 weeks

This course will create a greater understanding and appreciation of how to draw the objects and ideas we see in the world. Students will gain stronger proportion skills including figure and portraits, understand perspective, and shading techniques in pencil work. This is a good foundational course before exploring painting and sculpture classes.
