Memento Mori: An Evening with the Spirits at Homer Watson House & Gallery

Monday, May 30 | 7 - 9 pm or 9:30 - 11:30 pm

April 25, 2022, Kitchener, ON: Join us on the anniversary of Homer Watson's death on May 30 for a unique evening and paranormal investigation at Homer Watson House & Gallery.

Your experience will begin with a signature Death Day cocktail, tour and conversation about Homer Watson's interest and connection to spiritualism. Following this, you will receive a briefing from our paranormal experts before the lights are extinguished and the investigation begins. In near total darkness you will be escorted around the Gallery including the cellar, staircase, Homer's studio, and galleries. Using professional ghost hunting equipment including EMF meters, infrared thermal scanners, EVP sound recorders and motion detectors, who knows what you might encounter? At the end of the investigation, you will review and discuss any unexplained activity in the Control Centre.

Reports of activity in and around the home include full body apparitions, voices, and footsteps. Some feel ghostly presences in the rooms of the house. All we know is this: these investigations are not for the faint-hearted. In addition, over the course of the evening you will have the opportunity to participate in a séance with our paranormal experts.

You will receive a complimentary Death Day cocktail upon arrival.
